I think the pacifier is great the
way it is. The changes would not
make sense.
My children use cheese, milk & eggs
on a daily basis and my 15
pounds of formula regularly.

To Whom it May Concern:

As a parent I think adding fruits + vegetables to the WIC coupons would be very beneficial to the children + families who receive WIC. We truly appreciate getting WIC every month + we are also very grateful. Thank you!

The only thing I don't agree is about
the age group of the milk we as
parents should decide if its low fat
or whole milk for our kids. Every-
thing I agree with especially about
the fruits and vegetables. Good thinking
